

MUNKEN
MUNKEN PURE

•

Extraordinary printing demands extraordinary design paper. The uncoated smooth surface of Munken Pure and its creme shade convey distinct features to images and gives an exclusive yet very true natural paper feel. Munken Pure is developed for offset print and also suitable for various kinds of printing techniques; flexo, laser, xerography, digital printing, inkjet and for preprint applications. Also available is a crispy white, Munken Polar, and a natural white version, Munken Lynx. Munken Pure standard products are available as FSC™ – The mark of responsible forestry. www.fsc.org. FSC-C022692 and PEFC certified.
